

The Facts on DOD Fresh Fruits and Vegetables Program

- Approximately 25 schools on the program
- DOD allots around 50 million dollars for the fresh fruits and vegetables program nationwide-Arizona gets about \$1 million.
- “A” entitlement is used to buy the fresh fruits and vegetables-this is not in addition to your current entitlement value but part of it.
- Must use the DOD contracted vendor
- Must order on a separate system run by DOD (FFAVORS)
- There is currently a waiting list for the program. For information or to be placed on the waiting list, please contact Tina Herzog at 602-542-8781.
